FIWC CONGRESS 2018

9-10 June in Le Touquet – France

It is a great honour and a real pleasure for R.A.L.I.E. to organise the next Irish Wolfhound Congress, the first to be held under the international title of Federation of Irish Wolfhound Clubs.

Our team is very motivated to make this week-end a memorable one. We are therefore hoping for a huge participation of the breeders and owners of our gentle giants and we are confident that you will respond to the invitation of France.

We shall be ready and happy to welcome you, together with your beautiful hounds.
